To whom it may concern:

I am applying for the position of Reserve Police Officer. With my vast experience in management and dealing with people in my career as a Program Director at Vatterott College and my dedication that I have had for the past 7 years for the city as a Firefighter I would make a great asset to the Van Meter Police Department. I have a great working knowledge of the laws as well as city ordinances and have worked hand and hand with the local and surrounding Law Enforcement agencies. I have built a great relationship with them not only on a professional basis but on a personal level. I work hard and am continuously training and teaching as a Fire Instructor for both the State of Iowa and PRI and would show the same dedication to the Police Department. I have lived in the City since 2000 and have 5 children in the school system, I am involved in the community as a Webelo Leader and Trainer for the local Cub Scout Pack, help coach Baseball and do the yearly fire safety programs for the preschool, k-2nd grades and daycares in the community.

I am confident that with the direction of Chief Daggett I will be as dedicated to this as I am with everything else I do in and out of the community and would make a great law enforcement officer for our community.

Thank you for your time and consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Christopher D Reha', with a stylized, flowing script.

Why do you want to be a Reserve Officer for the City of Van Meter?

I have spend the last 7 years of my life as a member of the Van Meter Fire + Rescue and currently serve as a lieutenant, Training Officer and Instructor. I have always had a love for Law Enforcement and Public Safety. The safety of the community is very important to me as well as my family. I feel as a Reserve Officer I could fulfill my duties in doing so. I am very familiar with the ethics + laws. I have worked very hard keeping my record clean throughout my life so I could have an opportunity such as this. I applied to be a State Trooper 2 yrs ago and missed the written test by 1 point and was asked to come retake the test and my ex-fiance talk me out of going back and I have regretted it since. I feel I would do an excellent job if given the opportunity as well as continue to give back to my community as I have for the last 7 years.
